Hi Karine,

Happy New Year. Per our last discussion, attached please find the following materials:

- 3 quarterly reports submitted by NDEP for their UIC grant (it appears we are not getting an end-of-year grant report, but only these ongoing quarterlies)
- Information for the 3 aquifer exemptions approved in CA since primacy
- UIC program MOAs for California and Nevada

If you have any other questions, please give me a call.

Regards,

David
